

Annex B

3 simple steps to activate the CPF Withdrawal Lock

Step 1

Log in to mycpf with your Singpass, head to **Account Settings** and select **“Turn on CPF Withdrawal Lock”** under **“Daily Withdrawal Limit”**.

Step 2

The **Daily Withdrawal Limit** will automatically be set to **\$0**.

Update daily withdrawal limit

1 Update limit ————— 2 Review

Update daily withdrawal limit

Important notes

- If you increase the daily withdrawal limit, there will be a 12-hour cooling period. You need to verify your identity using Singpass Face Verification.
- To disable online withdrawals, set the daily withdrawal limit to \$0.

Select daily withdrawal limit

\$0.00 (disable online withdrawals) ▾

Review your changes

⚠ If you proceed, online withdrawals will be disabled immediately. You can return to Account settings later to enable online withdrawals by increasing the daily withdrawal limit, which will require authentication and a 12-hour cooling period.

Current settings

Daily withdrawal limit
\$2,000.00

New settings

Daily withdrawal limit
\$0.00 (disable online withdrawals)
